

You're invited!
Come be involved in the creation of
We'Moon 2018: La Luna

Every year We'Moon receives thousands of submissions of art and writing for the datebook from women all over the world. We invite women to attend "Selection Circles," our preliminary selection process in which you get to share your feedback about the submitted material. Your responses help determine which pieces of this gorgeous work to include in We'Moon. You will earn one 2017 datebook for every two hours of participation, have a sweet and inspiring time, and be an integral part of creating *We'Moon 2018*. Yummy snacks and beverages will be provided. Carpooling is encouraged. We hope you'll join us!
