**We'Moon 2019:**  
**Fanning the Flame**

Every year We'Moon receives thousands of submissions of art and writing for the datebook from women all over the world. We invite women to attend "Selection Circles," our preliminary selection process in which we ask you to share your opinion about the submitted material. Your responses help determine which pieces to include in We'Moon. You will earn one 2018 datebook for every two hours of participation, have a sweet, inspiring time, and be an integral part of creating *We'Moon 2019*. Yummy snacks and beverages will be provided. Carpooling is encouraged. We hope you'll join us!
